Juan,

I have not received any additional information on the Block and Lot number. I have attached a map for your review.

Let me know if you need additional information.

Thanks,

Tanya

Hi Juan,

I did not forget about your request. I believe Block 4820 Lot 189.01 is what you requested.

However, I wanted to confirm with ARCADIS. I asked them for a complete list of the Block and Lot numbers for the site. Thus, you may want to wait for confirmation.

Thanks,

Tanya

I need the block and lot numbers for the ball field and the shooting range.

Thanks
